15th ANNUAL FOUNDERS DAY AND HOMECOMING

Saturday, November 1, 1947

9:45 a.m.—Founders Day Service (In the Alumni Gymnasium)

6:00 p.m.—Homecoming Barbecue on the Athletic Field (In case of rain—in the Alumni Gymnasium). Due to the great increase in food prices this year, the Executive Committee of the Alumni Association voted at their meeting on September 19, 1947 to serve the Barbecue meal at 50 cents per "plate".

8:00 p.m.—Football game with University of the South (Sewanee). (Get your special alumni ticket either at the Alumni Office or at the barbecue; special reduced price, 75c).

Homecoming Committees

The following chairmen were elected by the Executive Committee to prepare for Homecoming. Each chairman selected his own committee.

The Food Committee: M. H. Gamble, Jr., '36, Chairman; Marguerite Badgett, '36; Ruby Lane DeLozier, '37.

The Hospitality Committee: Fred A. Griffitts, '25, Chairman; Volta F. Goddard, '13; Virginia King, '32; H. F. Lamon, '40.

The Promotion Committee: David H. Briggs, '19, Chairman; Lea Callaway, '32; Bessie Henry Olin, '20; and the College Pep Committee.

If you have not already done so and there is time, won't you send a postal card to the Alumni Office saying that you plan to attend? It is a real help and a relief to our anxiety lest we fail to prepare for all of you. It is too late at the barbecue to do it.

President Lloyd's Page

Dear Friends:

The 129th Maryville College year is under way. Students and faculty are well on the road toward the 1948 Commencement. The problems for which no solutions were in sight just before and just after the semester opened the last week of August, somehow got solved or with time grew less important—as such problems usually have a way of doing. Now other problems are appearing. But life and the College must go on even if perfection in arrangements and performance is not attained.

Enrolment

The Dean of Students, whose office handles registration, tells me that the following figures have emerged from the opening days of the fall semester: Total number of full-time students 898, of whom 503 are men and 395 are women. There are 339 freshmen and 45 transfer students. The number of veterans listed is 252. Perhaps the notable facts about these figures are these: (1) This is the largest number of college students ever to enroll at the College in any semester or any full year; it is 63 more than at the same time last year; the second semester will increase the number. Only once in Maryville's history did a full year's enrolment exceed this number—in 1920, the corresponding year after World War I, when there were 452 college students and 551 preparatory students, of whom not more than 871 were in attendance at any one time. (2) In order to prevent excessive overcrowding, the College turned away more students than in any year of its history. (3) This number is possible only because 179 students room in homes of the town and 185 live within commuting distance. (4) The men outnumber the women by 108, whereas before the war women usually outnumbered men.

New Faculty and Staff

The larger enrolment of the past two years has made it necessary to increase the teaching staff. Last year we used more than the normal number of part-time teachers. Most work is carried this year by full-time teachers. We have been fortunate in securing a considerable number of promising younger teachers and staff members as well as some of more experience. Some are alumni, some from other backgrounds—all in sympathy with Maryville standards.

Building Program

The Chapel burned March 26. Announcement was made in May that generous friends had given assurance funds would be provided to build a Fine Arts unit provided the Chapel is rebuilt—the two costing probably more than a half million dollars. Elsewhere in this Bulletin is the statement which I made to the faculty and students on May 16. This is a magnificent benefaction.

Much study has been given by the Directors and President, in consultation with others, as to procedure. No public announcement is yet ready, further than this: It appears necessary to organize a campaign for funds to provide the following buildings: a Chapel (funds in addition to insurance), a Fine Arts Center (provided for), a Women's Dormitory (a fund was started before the War), and an additional Science Building. Campaign plans will be fairly well completed by the end of October. Architects are now making sketches for consideration. The time of actual building has not been decided. Announcements of the financial campaign schedule will be made when it is completed. The College will be needing the devoted assistance of every graduate, former student, and friend.

Sincerely yours,

Ralph Waldo Lloyd

The Alumni President's Message

GREETINGS:

It has been a long time since Maryville College was founded in 1819, but down through the years the old Institution has carried on, having successfully weathered every storm and courageously withstood every hardship. In the meantime the unfortunate War between the States occurred and both World Wars have been fought and won. The noble sons and daughters of Maryville College participated in all of these conflicts and endured many hardships and trials and tribulations without murmur or complaint, always manifesting that true spirit of courage, patriotism and devotion so characteristic of all sons and daughters of Maryville College throughout the years of her existence.

It has been more than two years since we won the last War, but we have not yet won the Peaee. Can we win it? Do we deserve to win it? We cannot afford to lose the Peace. We cannot afford to let the World fall apart or permit civilization to disintegrate. The United States must carry the beacon light and lead the way to a permanent Peace which will be the fruits of all the "blood, sweat and tears" which have resulted from the last World Confliet. It behooves us, one and all, to do his and her full duty and to preach patriotism, loyalty and statesmanship at every opportunity, and to stand upon the Constitution and revere the Flag, and to smite Communism wherever and whenever it shows its ugly head. Let's be "up and at 'em," fellow Alumni and friends, and let's make sure that we win a lasting Peace.

Another thing challenges our attention—Voorhees Chapel has been destroyed by fire and the College has suffered an irreparable loss. A new Chapel must be built. Let it rise bigger and better on the ruins of the old, and stand as a perpetual monument to the indomitable will and dogged determination and unflagging devotion of all graduates and friends of the Old College who may in any manner contribute to its reconstruction.

Cordially yours,

ROY H. BEELER, 1906

FOUNDERS DAY

Roy Hood Beeler, Attorney General for the State of Tennessee and current President of the Maryville College Alumni Association, will deliver the 15th annual Founders Day message in the Alumni Gymnasium on November 1. The service will begin at 9:45 a.m. The title of Mr. Beeler's address will be "Civilization Then and Now."

Mr. Beeler was graduated from Maryville College in 1906. He received the J. D. degree from the University of Chicago in 1910 and was admitted to the bar of Tennessee in 1911. From then until 1927 he practiced law in Knoxville. He served as Assistant Attorney General from 1927 to 1932 and has served in his present capacity since 1932. Maryville College conferred upon him an honorary LL.D. degree in 1940.

The College is fortunate in having Mr. Beeler on the campus for Founders and Homecoming Day. He and Mrs. Beeler will have just returned from Boston where they attended the meeting of the National Association of Attorneys General in the latter part of October. Though the capacity of the Alumni Gymnasium is not equal to the former Voorhees Chapel, best possible seating ararngements will be made. All alumni and friends are cordially invited and urged to attend.

DIRECTOR OF DEVELOPMENT

President Ralph W. Lloyd has announced the appointment of Mr. Sidney E. Hening, of New York, as Director of Development. His service at the College will begin November 1 and will have special relation to the forthcoming campaign for a new Chapel and other buildings.

Mr. Hening has had wide experience in important posts with the YMCA in China and the United States, as Treasurer of one of the large church missions boards, and in such work as that on which he is to be engaged at Maryville College. He will be a regular member of the College's staff during the coming months.

SUMMER ON THE CAMPUS

The campus was a busy place all summer. Three Presbyterian young people's conferences, each lasting approximately a week, met here, and during the last week in June the annual meetings of the Synod of Mid-South, the women's Synodical Society, and young people's Westminster Fellowship, of the Presbyterian Church in the U.S.A., brought four hundred people to live in the dormitories for four days.

A crew of painters have renewed the outside of Baldwin, Memorial, Bartlett, and Thaw, and extensive inside areas. Carpenters, plumbers, and other workers have been busy every day. The result of much of their work is not noticed because it represents the endless repairs necessary on a large plant like the College. Among the changes which are noticeable are partitions in several Anderson Annex classrooms to make temporary music teaching studios. There has been considerable investment in new roofs, new chairs, and the like. The athletic fields were used daily for the city recreational program and amateur league baseball games.

THE FIFTY-YEAR CLASS

Of the six living members of the Class of 1897, five attended the Alumni Dinner and Commencement Exercises in May. The five were Miss Lucy Emma Caldwell, of New Market, Tennessee; Miss Edith Goddard, of Maryville; Mrs. Nell McSpadden Keeble, of Ashland, Virginia; Mr. Edward Montgomery, of Knoxville; and Mrs. Augusta Muecke Tedford, of Maryville. Judge John C. Crawford, of Maryville, the sixth member of the Class, had planned to attend but was prevented by illness from being present.

Miss Caldwell has spent all her life in New Market, where two of her major interests through the years have been raising flowers and teaching children in Sunday School and day schools.

"Miss Edith," as she is generally called, retired in 1945 after almost half a century of teaching in high school and elementary schools in Maryville. During the years she was prominent in educational circles throughout the State.

Mrs. Keeble taught in East Tennessee for eight years; then in 1907 married William Keeble, a fellow college student (upon whom the College conferred an honorary degree in 1945). Since 1919 she has lived in Ashland, Virginia, where her husband is Professor of Physics at Randolph-Macon College for Men.

Mr. Montgomery lived in Mannington, West Virginia, for a few years after graduation and then moved to Knoxville, where he now lives in retirement. For thirty years he was in the U. S. postal service.

Mrs. Tedford lived in Kingston, Tennessee, her home town, until she married Baxter Tedford in 1925. Since then she has lived in Maryville.

Judge Crawford studied law after his graduation and returned to Maryville as an attorney. For forty years he has been on the Board of Directors and is now Acting Treasurer of the College. Mrs. Crawford was a classmate of his during most of the course. They have had the rare distinction of seeing six sons graduate from Maryville.

HORACE LEE ELLIS

HORACE LEE ELLIS

Horace Lee Ellis, Librarian Emeritus, died at his home in Maryville on August 5. The funeral service was conducted by President Lloyd at the First Baptist Church and he was buried in Magnolia Cemetery. Mr. Ellis was Librarian for twenty years, from 1924 to 1943 when he retired because of health and was elected Librarian Emeritus.

He graduated from Maryville College in the Class of 1898 and married Cordelia Young, a member of the same class. For two years thereafter he taught in the Preparatory Department of the College, then for seven years was a high school principal and teacher. In 1907 he went to Carson-Newman College as professor of Latin, a position he held for seven years. During three of those years he was both professor and dean and during one other was both professor and treasurer.

In 1914 he returned to his Alma Mater as professor of education and principal of the Preparatory Department, which at that time had over five hundred students. In 1924 the Preparatory Department was closed and he became Librarian.

Thus his name was linked to Maryville College for thirty-one years as an active member of the faculty and for forty-two years as student, teacher, principal, librarian, and librarian emeritus. He worked until his failing health would allow him to work no more. Maryville College alumni will remember him for his friendliness, his courtesy, and his ability.

Mr. Ellis was an active officer or member in the First Baptist Church of Maryville throughout most of his life. He was in many ways a true representative of the "Old South." On the campus his politeness never failed whether dealing with faculty or students. In his later years at the College he will be remembered as a white-haired man sitting on the front row in the Chapel where he was a sympathetic listener to all speakers and programs.

DEATHS

Horace Lee Ellis, '98, died at his home in Maryville on August 5, 1947. (See item on page 6).

Richard Walter Post, '99, died on June 15, 1947, in a Rockwood hospital. Mr. Post served as a Presbyterian missionary in Siam from 1902 to 1942 when he was taken prisoner of war by the Japanese. Later he returned to this country on the liner Gripsholm. He and Mrs. Post (Mayme Stebbins, '02) were living in Grandview, Tennessee.

Robert Pflanze, Prep., '99, died March 29, 1947. He was a successful businessman in Maryville for many years. His daughter, Cecilia Lord Pflanze, is the wife of William B. Felknor, '41.

Paul Rodney Radcliffe, '09, died on January 14, 1947 after a long illness. He was a superintendent in high school education work for 42 years. Mrs. Radcliffe is continuing to make her home in Nutley, New Jersey.

John M. Campbell, '10, died in the summer of 1946 at his home. He was superintendent of schools in Selah, Washington.

Anna Belle Callaway, '11, died on July 30, 1947, at Blount Memorial Hospital after several months illness. Miss Calloway had been a teacher in the Knoxville schools for nearly 25 years.

Mrs. John C. Joyner (Edith Bryan Pickens, '26) died in August 1942, according to a 1926 class letter received in May 1947. She is survived by her husband and three children.

James Maurice Leister, '47, died on June 22, 1947, after a brief illness. He was the son of Rev. and Mrs. J. Maurice Leister af Rural Valley, Pennsylvania. During his college days, Jim was active in YMCA, Parish project, the Ministerial Association and the Student Volunteers. Graduating at the early age of 20, Jim was planning to attend Western Theological Seminary and then go to Edinburgh for further work in theology.

JOE JACKSON

Many Maryville students will remember Joe Jackson as one of Maryville's faithful cooks during the past decade. A year ago he had to give up work because of illness. Always he hoped to improve enough to return. But that was not to be and he died on June 19.

Joe Jackson was an efficient co-worker of John Henry who has been the senior member of the kitchen staff for many years. Joe was an honest and honorable man and loyal to his family, his church, and his work. Various college faculty and staff members attended the funeral and President Lloyd took part in the service.

ALUMNI REUNION 1948

Alumni Day at Commencement 1948 is Tuesday, May 18. The annual alumni banquet will be served in the dining hall at 7 p. m. The reunion classes are as follows:

50 year Class 1898
25 year Class 1923
10 year Class 1937

NEW ALUMNI EXECUTIVE SECRETARY

TED B. PRATT

Theodore B. Pratt, of the Class of 1943, has been appointed Executive Secretary of the Alumni Association, succeeding James R. Smith, '35, and began his work on September 9.

After his graduation from College Ted entered the Army and went through the European campaign as a combat officer. He was discharged at the end of the war as a Captain of Infantry. While in the Army he took courses in Shrivenham American University, England, and Biarritz American University, France. During the past year he has been doing graduate work in the fields of sociology and journalism at Ohio State University and received his master's degree at the end of August. At the College Ted is to give attention to publicity matters as well as alumni matters. While a student at Maryville he was an assistant in the college offices and was a leader in student affairs.

Mrs. Pratt is also working in the Alumni Office. She is a graduate of Ohio State University with a major in radio speech.

Mr. Smith (Jimmy) has rendered a notable service as Executive Secretary of the Alumni Association. He was a full-time member of the college staff for four years, from 1940 to 1944. When the war came he felt that he should take a pastorate so that a man needed in the pastorate could enter the chaplaincy, and to assist in the care of the Church during the emergency. The Graystone Presbyterian Church of Knoxville issued an urgent call and he felt led to accept it in 1944. However, he has continued to give part time to the alumni work and at considerable personal sacrifice has done an excellent service for the College and for the Alumni Association. Although he is to give up his official connection with the office he will continue to help in many ways. He still feels that it is his duty to remain with the Graystone Church, which has important plans ahead.

ARTISTS SERIES OMITTED

After due consideration it has been decided not to attempt the Artists Series this college year.

When the Chapel burned, not only the College but the community lost the only suitable auditorium large enough for such events as the Artists Series. To finance attractions of the quality maintained over the years, it is necessary to have the patronage of people of Maryville and Knoxville as well as the students and faculty. There are now no adequate facilities in Maryville.

Therefore, the portion of the Student Activities Fee allocated annually to the Artists Series will be held in a reserve fund to undergird the Series when a new Chapel permits its resumption.

NEW COLLEGE DIRECTOR

DR. DONALD A. SPENCER

On June 27 the Synod of Mid-South elected Rev. Dr. Donald A. Spencer a Director of Maryville College. Dr. Spencer is pastor of the Second Presbyterian Church of Chattanooga, a church long closely associated with the College. His predecessor, the late Dr. Robert M. Stimson, was a Director of the College ten years; Dr. E. A. Elmore, who preceded Dr. Stimson in that pastorate, was a graduate of Maryville College, a professor of the College for four years, a Director thirty-eight years, Chairman of the Directors for twenty-one years, and Leader of the February Meetings nine times. Before coming to Chattanooga a year ago, Dr. Spencer was pastor of the Point Breeze Presbyterian Church, Pittsburg, Pa.

HONORARY DEGREES

Three honorary degrees were conferred at the Commencement Exercises last May. The degree of Doctor of Laws was conferred upon Judge Arthur Evan Mitchell, of Knoxville, Tennessee, Chancellor for Knox County. Judge Mitchell is a graduate of Colorado College and of the University of Chicago Law School. He once served for three years as athletic coach at Maryville College and has been a member of the Board of Directors for the past twenty-one years. He is chairman of the Directors' important Committee on Finance.

The degree of Doctor of Laws was conferred upon Miss Margaret Shannon, of New York, Secretary, Home Base Department, Board of Foreign Missions of the Presbyterian Church in the U.S.A., and a prominent leader in work among church women. Dr. Shannon holds the Bachelor's degree from the University of Chicago and the Master's degree from the Biblical Seminary of New York. She was for three years a member of the faculty of the American Junior College, Beirut, Syria, and for four years Director of Student Activities of the Westminster Foundation, Ohio University.

The degree of Doctor of Divinity was conferred upon the Rev. Thomas A. Graham, pastor of the New Providence Presbyterian Church, Maryville, and formerly pastor of Pioneer Presbyterian Church, Marinette, Wisconsin. Dr Graham is a graduate of Carroll College, Wisconsin, and McCormick Theological Seminary, Chicago.

FOOTBALL SCHEDULE

The 1947 football schedule, with scores of games already played, is as follows:

September 20—Hiwassee (0)—MC (33) ..... Home
September 26—Tenn. Polytech. (13)—MC (7) ..... Away
October 4—Centre (0)—MC (27) ..... Away
October 18—East Tenn. State (6)—MC (31) ..... Home
October 25—Emory and Henry ..... Home
November 1—Sewanee ..... Homecoming
November 7—Middle Tenn. State ..... Away
November 15—Carson-Newman ..... Home
November 22—Tusculum ..... Away

Coaches Honaker and Davis are assisted by Marvin Mitchell, a senior, who has played four years of football at Maryville and was captain of the 1946 team. About seventy men were on the squad at the beginning of the semester. Prospects look good for a successful season.

FLIGHT TRAINING

Through arrangements made with Cook's Aero Service, an approved flight school at the Knoxville Municipal Airport four miles from Maryville, the College is offering this year courses in flight training. Ground instruction is given on the campus in a one-credit hour course, while an additional hour of credit is allowed for the flight instruction, which includes 24 flying hours per semester. This work is taken in addition to the normal schedule.

Sixty students are enrolled in the ground course, half of whom are taking the flying instructions this semester, while the remaining half will fly next semester. The courses are open to all students who can pass the required physical examination. A special fee is required for the flying course.

NEW ATHLETIC FIELD

The athletic field has been extended along Court Street toward the College Woods approximately 250 feet, the distance made possible by the amount of earth available on a "cut-and-fill" basis. The newly cleared and graded field adds approximately 2½ acres to the present fields. The graded surface has been limed and will be allowed to settle during the winter months. In the spring it will be regraded and sowed with grass.

It is hoped that the football field may eventually be moved from its present location back of Thaw Hall to the recently graded field on Court Street. Former students will remember that the present football field has a decided slope. Due to its central position on the campus, grading did not seem desirable.

The proposed location would make possible a perfectly graded field with easy access from Court Street. The present field would serve excellently for intramural athletics. The change can not be made, of course, until the new field has acquired a suitable sod.

FEBRUARY MEETINGS 1948

REV. CLIFFORD E. BARBOUR

The 72nd series of February Meetings will be held February 4-12, 1948. This will be the first time since 1906 that they have not been held in the Elizabeth R. Voorhees Chapel; of necessity they must be in the Alumni Gymnasium. The surroundings will not be so good but the Meetings will go forward on the same schedule as usual.

The preacher will be the Rev. Clifford E. Barbour, Ph.D., D.D., Pastor of the Second Presbyterian Church, Knoxville, Tennessee. Dr. Barbour led the Meetings in 1938 and 1942. He has been in his present pastorate for the past nineteen years, having come to Knoxville from Pittsburgh. He is very popular in Knoxville and is much in demand as a speaker in many places.

The leadership of the music will be in the hands of the Rev. Sidney E. Stringham, D.D., as it has been twenty-five times before. Dr. Stringham is now Pastor of the New McKendree Memorial Methodist Church, Jackson, Missouri.

Careful preparations are made each year on the campus for the Meetings and the interests and prayers of alumni are earnestly desired.
